

Five Points Transformation

MARTA will begin the first phase of the Five Points Station Transformation Project on May 17, 2025. Street-level station access will be maintained on Forsyth Street. Most buses will continue to serve Five Points on Forsyth Street, and their routes modified to terminate at nearby stations.

PROJECT DETAILS

- Deconstructing the existing concrete canopy and replacing it with a new canopy that better protects against weather.
- Establishing a more centralized bus hub.
- Improving the pedestrian connection on Broad Street.
- Incorporating public art, agriculture, gathering places and other customer amenities.

Bus Service

The following routes will stop at Five Points on Forsyth Street:

Rail Service

- Street-level access will be on Forsyth Street.
- Rail service and transfers are unchanged.
- Elevators at the street level and the platform levels will remain open.

Customer Services

The following offices will temporarily relocate June 6, 2025:

- MARTA Police precinct
- Ride Store
- Lost & Found
- Reduced Fare
- MARTA HOPE

Restroom Services

Restrooms will be closed. Nearby station restrooms are located at:

- GWCC/CNN Center (Westbound): "SMART" restrooms with remote access
- Peachtree Center (Northbound): Restrooms on north concourse level
- Georgia State (Eastbound): Restrooms on lower concourse level
- West End (Southbound): Restrooms on lower concourse level

The following amenities will temporarily close:

- Station Soccer field
- Community garden
- MARTA Market
- Information booth
- Tunnel to federal building

Other project impacts

- Alabama Street and part of Broad Street will be closed to vehicle traffic.
- Broad Street Plaza will remain open.
- Pedestrian access to retail businesses will be open.
- Pedestrian access on Alabama Street between Peachtree Street and Forsyth Street will be open.
- There will be construction noise and debris from 7AM-5PM Monday-Saturday.

ADDITIONAL INFORMATION

MARTA Police will maintain a presence on the Five Points platforms, surrounding stations and throughout the system to ensure safety.

As construction progresses, late night closures of the Forsyth Street entrance are possible.

Single tracking at Five Points may occur to accommodate other project schedules.

The project will not be complete for the World Cup in 2026, but the station will be ready to serve visitors and soccer fans from around the world.

About Five Points

Five Points is MARTA's largest and busiest rail station and the connecting point for all four rail lines and 10 MARTA bus routes with approximately 25,000 daily customers.

Construction of the station began in 1976, with the east/west platform opening in late 1979 and the north/south platform in late 1981. The east and west street-level plazas were renovated in the mid-2000's.
